

1. The principal or designee shall be on site at the a.m. unloading area. The bus driver will not be allowed to leave special education students unattended.
2. The principal or designee shall have the students ready at dismissal time. The bus driver will not be required to wait more than five minutes after school is dismissed for students to board the bus.
3. The principal will handle suspensions as described in "Disciplinary Procedures."
4. The principal or designee will be available until all special education students from his/her school have been properly delivered. Drivers are not permitted to leave "maximum services" special education students and "DD" preschool students unattended and will return them to their school.
