

The superintendent or his/her designee is empowered to close the schools, delay starting time, or dismiss school early in case of severe weather or due to other emergencies which threaten the safety or welfare of students.

Students, parents, and staff will be informed early in each school year how they will be notified of emergency school closing or early dismissals.

All personnel will report to work as soon as possible on emergency days unless the superintendent or his/her designee has exempted them from reporting, due to the nature of the emergency delay, closing, or dismissal.
