

Grants accepted by the Board are subject to accounting rules and regulations as set forth by the New Mexico Public Education Department.

Grant proposals for external funds shall be submitted to the District Business Office for fiscal evaluation and determination of availability and/or system of funding. The reviewed proposals will then be submitted to the Board for approval.

In the event an opportunity arises to submit a grant proposal and there is insufficient time to place it before the Board, the Superintendent is authorized to approve it for submission.

As soon as practical thereafter, the Superintendent shall review the grant proposal with the Board. The Board reserves the right to reject funds associated with any grant that has been approved.
