

Full-time employees of the Lordsburg Municipal Schools are those personnel who are employed on an annual basis and whose duties and job responsibilities are for a definite period of time as designated by either a licensed instructor or classified employee contractual agreement with the district.

Only full-time employees whose standard work week is twenty (20) or more hours will be eligible to participate in the district's employee benefits programs, unless otherwise specified in the form of a resolution, by the board.

Individuals whose services are secured through the Request For Proposal (RFP) process shall not be considered employees of the district and are thus ineligible to participate in the district's employee benefits programs.
