

**The results of standardized achievement tests shall be furnished to parents and students at the elementary, middle, and high schools. Such test results will be furnished on test profile sheets reported in percentile or other scores and including explanation of scores relative to the pupil's present grade level.**

**Parents and/or students may request, and will receive, their scores for other standardized tests administered by the schools.**

**Individual test scores are considered confidential educational records and will not be released to other parties except as permitted by law and regulation.**
