The effective education of students requires a school environment in which students feel safe and secure. The Lordsburg Board of Education is committed to maintaining an environment conducive to learning in which students are safe from violence, threats, name-calling, intimidation, and unlawful harassment.

A. Definitions

1. “Unlawful harassment” means verbal or physical conduct based on a student’s actual or perceived race, color, national origin, gender, religion, or disability and which has the purpose or effect of substantially interfering with a student’s educational performance or creating an intimidating, hostile or offensive environment. Sexual harassment of students is further addressed by a separate policy of the board (See Policy #728).

2. “Bullying” means intimidating verbal or physical conduct toward a student when such conduct is habitual or recurring.

3. “Name-calling,” means the chronic, habitual, or recurring use of names or comments to or about a student regarding the student’s actual or perceived physical or personal characteristics when the student has indicated by his or her conduct, that the names or comments are unwelcome, or when the names or comments, by their nature, are clearly unwelcome, inappropriate, or offensive.

B. Prohibitions

1. It is the policy of the board to prohibit violence, threats, name-calling, bullying, intimidation, assault, battery, extortion, robbery, vandalism, and other victim-based misconduct that creates an intimidating, hostile or offensive environment, regardless of motive or reason. The board will not tolerate such victim-based misconduct by students or staff.

2. It is the express policy of the board to encourage students who are victims of such physical or verbal misconduct to report such claims. Students or their parents may report such conduct to any principal, assistant principal, counselor, or the child’s classroom teacher(s).

C. Reporting

Any employee who, as a result of personal observation or a report, has reason to believe that a student is a victim of conduct prohibited by this policy, whether the conduct is by another student or by another employee, must notify his or her principal or supervisor, or the superintendent of such observation or report as soon as possible.

D. Investigation

1. All reports of physical or verbal misconduct in violation of this policy shall be promptly investigated by the school principal or his/her designee.
2. In assessing the existence of a violation of this policy and the appropriate discipline, the principal or designee shall consider the nature and extent of the conduct, the age of the student(s) involved, the context in which the alleged conduct occurred, and any prior history of prohibited conduct on the part of the violator.

E. Sanctions

1. Any student found to have engaged in misconduct in which another student is a victim of violence, threats, name-calling, bullying, assault, battery, extortion, robbery, vandalism, etc. shall be subject to discipline, including, but not limited to suspension or expulsion, subject to any applicable procedural requirements.

2. Any employee found to have engaged in misconduct in which a student is a victim of violence, threats, name-calling, bullying, assault, battery, extortion, robbery, vandalism, etc. shall be subject to sanctions, including, but not limited to, warning or reprimand, suspension, termination, or discharge, subject to any applicable procedural requirements.
